Our Initiatives

Business/Data

- Increase awareness of childcare needs and the importance of supporting the employees and their families
- Collect and disseminate high quality data and outcomes for providers and officials to utilize

Capacity Development/Provider Support

- Reduce employment barriers by providing high-quality affordable childcare options
- Build a support structure for current and new providers to continue to create or improve a sustainable business model

Marketing/Community Events & Advocacy/Family/Parent Support

- Increase awareness of resources and safe/educational places to go within Watertown
- Increase involvement from community leaders and families in the planning and promotion of events
- Increase awareness of what it means to be trauma-informed
- Provide resources and support structures to prevent isolation and mental health issues

Resilient Communities have the capacity to identify problems, establish priorities, and act.
